

Amardeep Dwivedi

Software Development Engineer

Professional Snapshot

<https://amardeep-sde.github.io/Portfolio-SDE/>

Software Development Engineer with 1 year and 4 months of ongoing experience in building responsive web applications using React and MERN stack, with expertise in scalable full stack solutions. Skilled in JavaScript, TypeScript, and frameworks like Tailwind CSS, Material UI and Express.js, with MongoDB database. Experienced in Redux Toolkit for state management and code optimization, GitHub, and Jira. Focused on delivering scalable solutions and ensuring client satisfaction through timely project delivery. As a developer I'm eager to contribute to all aspects of development. A quick learner, I adapt to new technologies and stay ahead of industry trends.
